

THE BRIDGE  
*International*  
**FOOD  
FAIRE**

**Thank you for participating in the Food Faire on Sunday April 21!**  
Food will be provided by our volunteers —that's you.

### Helpful info for you:

- **Meal tickets will include** a choice of 7 food samples and a drink. There will be one booth designated for desserts. The Bridge will supply cookies this year but if you were planning on bringing a dessert from your country, please do!!
- **You will more than likely be sharing** a 3-4ft table space with another participant.
- **We will provide** the plates, forks, spoons, napkins, tablecloth and a sign of your country. If your item works best served in a small bowl, let us know.
- **If your item needs refrigeration**, it can be kept in the church kitchen's fridge while you're attending the service.

### You will be responsible for:

1. Providing enough food for 50 small sample servings.
2. Serving your item. Bring serving utensils.
3. Decorating your space is optional. A small placard with the name of your item is always interesting.

### Do you need...

- Electrical outlet? We will place your table accordingly.
- Chafing dish? We have a few but will need to know in advance.
- Small paper bowls? to serve your food samples.
