**FOOD  
FAIRE**

SUNDAY JUNE 14

## Thank you for participating as a Table Host!

### What is a Table Host?

- An individual or group who says YES! to providing and serving a dish from a country of their choosing.

### What did I say Yes to?

- Provide enough food to serve 50 SAMPLE servings.
- You or someone from your group needs to be available to serve your dish. Bring serving utensils.
- (Optional) Decorate your space. A small placard with the name of your item is helpful. We will provide a sign of your country for your space.

### What is the schedule that day?

- Tables and tents will be set up by 9:15am. Set up what you can before service.
- One service: 10-11:15AM. We'll start serving food around 11:45 giving you time to get ready.
- If your **item needs refrigeration**, it can be kept in the kitchen's fridge while you attend service.

### More helpful info for you:

- **Meal tickets will include** a choice of 7 samples and a drink.
- **You will likely be sharing** a 6ft table with another Table Host.
- **The Bridge will provide** plates, forks, spoons, napkins, tablecloth and a sign of your country. If your item works best served in a small bowl, let us know.

### Do you need...

- Electrical outlet?
- Chafing dish? We have a few but will need to know in advance.
- Small paper bowls rather than plate to serve your food samples?
